Postoffice is to Be Kept Open Evenings Until Christmas Day The plans for the new bridges will

To keep pace with the holiday rush, Postmaster John C. Wharton last night ordered the postoffice kept open until 9 o'clock for the convenience of patrons. of the city legal department decided to The order will continue in effect until render an opinion to the city council nold- Christmas. Besides the numerous little tables, which have been installed in the lobby for the convenience of the patrons, a force of clerks with half a dozen varieties of scales are located near the outside of the stamp windows, so that people may learn the required postage before purchasing their stamps. This new arrangement also decreases the congested lines at the stamp windows, which for several days, have wound round and round the lobby. Every department in the Omaha postoffice is fast nearing its capacity for business due to the first parcel post Christmas, and both Postmaster Wharton and Assistant Postmaster James I. Woodward were busy as department store clerks all through the

AFFAIRS AT SOUTH OMAHA

City Council Compromises Suit of Champion Iron Works.

MURDOCK SPECIAL COUNSEL

Burlington Road Agrees to Put in Vladuets Over Tracks Which Have Long Been Destred.

Upon recommendation of A. H. Murspecial counsel for the city of South Omaha in a suit started by the Champion Iron Works to collect a balance of \$2,870, due them on contract with the city for equipping the jail in 1997 with cells and other from work, the city ouncil at a special meeting settled the case with the plaintiff for \$2,100 and assumed half the costs incurred while the case was tried in various courts during the last six years, yesterday afternoon Winters excused himself from acting for the city because he had been retained for the plaintiff before his term of office, six years ago.

The city refused to pay the balance due the iron company because of defect in he work. At the trial, which was completed yesterday, it was shown by the plaintiff, through its attorney, Attorney S. L. Winters, that they had done the work according to plans and specifications drawn up by Architect Latenser Murdock, believing the jury would decide against the city, agreed to ask the city to compromire. Winters, who was employed by the company before his term as a city officer, agreed to the set-

Mayor Hoctor called a special meeting for 5 o'clock yesterday, and all the uncilmen with the exception of Thomas Alton, who could not be notified, were present. While Murdock was explaining the trend of the trial and telling the council the history of the case only unofimen Lavelle, Williams and Cavnaugh paid much attention. Riha and Hartnett were in an antercom most of the time. Riches, who wandered in during the course of Murdock's talk, left the city hall.

The matter was rushed through in the eeting, which was called immediately after Murdock's talk. He made a few orief remarks in the meeting, saying he had explained the case fully before the meeting. All voted favorably on the otion, introduced by Hartnett, to set-

The tron company put in the cells ac ording to the plans. After the completion of the fall it was found necessary tear out four cells before it could put into use. This was done and ther changes caused by this work cost the city \$1,900

When the Champion Iron Works started suit against the city, Attorney Winters was retained as counsel. He was elected city attorney the next term and Murdock was appointed special counsel for the city. City Attorney Murphy was barred from acting as attorney for the city in the case by reason of Attorney Murdock's prior ap-

Burlington Bridge Dreams of a bridge over the Burlington racks at Twelfth and O streets over which pioneer citizens of South Omaha have often mused are about to become a reality and the mythical structure, is to erected in the near future. Two other bridges over the Burlington right-of-way, one at Thirty-ninth avenue and N street and the other at Forty-second and Q

streets, will be built. The eastern section of the city has been sparsely settled due to the a With the filling of O street be-Twentieth and Twenty-second streets and the erection of this bridge this part of the city promises to be rapidly built up.

Property owners along O street have refused to pay delinquent taxes because of the refusal of the Burlington to build the bridge. This will make it possible for the city to collect taxes to a large sum Highway association. They disappeared and make property in this district valu-

> G. M. Holdrege of the Burlington promised South Omaha a passenger station at Twelfth and O streets with the erection of the bridge. This will enable the local postoffice to make earlier deliveries on

be drawn up at once and the grading work commenced within the next few weeks. If the weather allows, the bridges will be completed this winter.

Herbert Tyler and Byron Clark, counse for the Burlington, went over the ground with City Attorney Murphy and City Engineer Beal yesterday morning. They were opposed to the Twelfth street bridge, but conceded this point upon the solicitation of Attorney Murphy, who saw a bright future for that part of the town.

Take Salts to Flush Kidneys

Eat less meat if you feel Backachy or have Bladder trouble.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys coonsionally. You must relieve them like you relieve your bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp license, but owing to the fact that they house, judges of the district court may pains in the back or sick headache, district not reappoint Mogy Bernstein as pro- ness, your stomach sours, tongue is bation officer at the expiration of his coated and when the weather is had you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often got irritated, obliging you to get up two or three times during the night. To neutralize these irritating acids and flush off the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and hiadder disorders disappear. This famous saits is made from the acid of grapes and lemon juice, combined with a Musical Program to clean and stimulate aluggish kidneys and stop bindder irritation. Jad Salts is inexpensive; harmless and makes a de-Union Pacific council of the Royal lightful effervescent lithia-water drink Arcanum held in the Board of Trade which millions of men and women take building last evening had an added at- pow and then, thus avoiding serious kid-traction in the way of a musical pro- may and bladder diseases.—Advertisement.
